

# **★ SUPERCHARGE<sup>®</sup>** **BATTERIES**

## **SEA MASTER**

**For different sea states,  
delivering reliable performance**

- > Built with anti-vibration components
- > Sealed design for protection in high salinity environment
- > Advanced dense and compact battery construction
- > Engineered with a special composition for higher charge efficiency
- > Formulated with high purity lead and electrolyte

**Reliable, Long service life, Built to last.**

## SEAMASTER RANGE

TYPE	NOMINAL VOLTAGE V	TECH	CCA (EN)	RC (min)	AH (20HR)	OVERALL DIMENSION (mm)				WET WEIGHT (kg)	ASSEMBLY	PRIVATE WARRANTY (months)	COMMERCIAL WARRANTY (months)
						L	W	H	TH
